Report

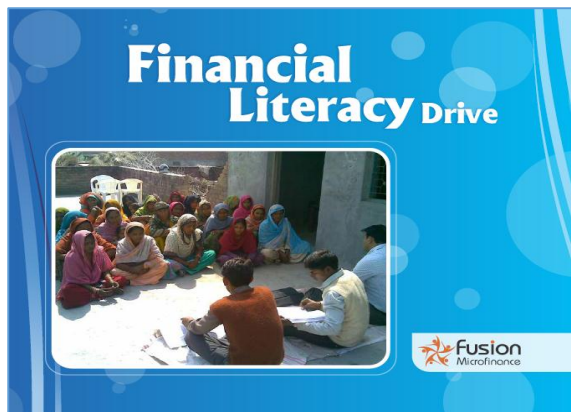

CORPORATE SOCIAL RESPONSIBILITY

Fusion takes its social responsibility earnestly and contribute towards the development of society and environment. As part of its CSR, Fusion conducts various social activities for the benefit of its clients and communities around its operational areas.

Promoting Education

Financial Literacy programs

- Fusion has conceptualized and formulated a pictorial tool kit for raising client's awareness on financial literacy
Clients are provided training on financial literacy during CGT by the branch staff using the tool kit
Under Financial Literacy Program, clients are being educated on money management, joint liability, proper utilization of money earned and ill-effects of over borrowing.

ऋण की अधिकता नुकसानदायक ...
अपनी क्षमता से अधिक ऋण नहीं लीजिए। यह आपकी परेशानी का कारण बन सकता है।

The illustration depicts a woman in a red and yellow sari sitting on the ground, looking distressed with her hand to her face. She is surrounded by several circular icons connected by blue arrows, each showing a person in a state of financial hardship: a man with a house icon, a man with a person on a horse, a man with a person on a bicycle, and a man with a person on a motorcycle. A man in a suit is also shown in the background, looking thoughtful.
